Letter No:81 Dated 19-7-1926 from the President, Town Municipal Council, Kolar, to the Deputy Commissioner, Kolar

I have the honor to state that at present there is only one Mohatarfa Mutsaddi on ₹ 20/- per mensem for this town Besides attending to collection work he has to maintain D C.B and other accounts and to prepare electoral rolls &c. As the town is rather extensive, it is not possible for one single person to cope with all these works and consequently, the D.C B and other accounts are found to be in an unsatisfactory condition It is therefore necessary to have an additional Mohatarfa Mutsaddi so that the collection work may be improved and the accounts be brought up-to-date This point having been brought to the notice of the Managing Committee at the time of passing the Budget for 26-27, a provision of ₹ 180/- for a year was made for an additional Mohatarfa Mutsaddi This was not passed by the Municipal Council at the General Meeting held on 12th May 1926 for the consideration of the Budget, but was passed at the Special Meeting held on 26th June 1926, under Section 26(2) of the Municipal Regulation for the reconsideration of the Budget This resolution could not be given effect to under Section 26(12) of the Municipal Regulation, the number of members supporting the resolution being less than half of the total number of members

2.The necessity for an additional Mohatarfa Mutsaddi having been keenly felt, the provision was retained in the Budget submitted for the sanction of Government. His services are urgently required now in connection with the preparation of the annual accounts and other statistics and it will take some time before the budget is sanctioned I request you therefore to be so good as to recommend and obtain the sanction of Government early to the appointment of the additional Mohatarfa Mutsaddi
